PUT YOUR LIFE ON IT<sup>®</sup>

# My Passport for Mac

## Portable Hard Drives

### Product Features

#### Sleek, compact design

This compact enclosure offers plenty of storage making it the ideal companion for the graphic professional, student, or road warrior.

#### USB 2.0 Interface

Conveniently powered through the USB 2.0 interface, you can quickly connect to your Mac computer and access your files. There's no need to carry around a power adapter.

#### WD Security™

WD Security utility allows you to set password protection and hardware encryption for your drive to protect your files from unauthorized use or access.

#### WD Drive Utilities™

Register your drive, set drive timer, run diagnostics and more using WD Drive Utilities.

#### Formatted for Mac

HFS+ Journaled so it works right out of the box with your Mac computer. Can be reformatted for Windows®.

#### Compatible with Apple Time Machine

Back up your files with Apple Time Machine.

#### WD quality inside and out

We know your data is important to you. So we build the drive inside to our demanding requirements for durability, shock tolerance, and long-term reliability. Then we protect the drive with a durable enclosure designed for beauty and protection.
